Hi Jer,

There is no guarantee additional funds will be available. In fact, the amount in the FY21 CAA 105 "Please Apply" letter was only an estimate, and the final amount will not be determined until we receive our FY21 grant allocation. The ~\$10k will be at CARB's own risk if the federal funding is not available.

I wish I could have provided a more positive response.

Thanks!

- Angie

Subject: Sec 105 grants

Hi Angela,

If program goes over the amount they were approved for a project (by ~10k), can they ask for additional funding? Or will they have to charge it to another fund?

Thank you,
